Re: Opting your public high school teen out of the "Personal Safety" class

**NOTE:** Bishop Manogue teens **are NOT** expected to attend the Personal Safety class offered in Confirmation because they are taught "Personal Safety" at school. The form on the next page does not apply to your teen

## Personal Safety Class

**As required by the Diocese of Reno,** Our Lady of the Snows Religious Education classes will present a child abuse **prevention** program, called "**Personal Safety**," to our students. Those who created "Protecting God's Children"™ for adults developed this "Personal Safety for Children" program.

The Personal Safety class is a part of the diocese's ongoing effort to help create and maintain a safe environment of children and to protect all children from abuse. The annual teaching of this is a requirement of the diocese for all religious education programs.

This lesson is taught to all students during their scheduled class time. As a parent, you have the right to choose whether your student participates. Also, parents may accompany their teen to the class, so they will be aware of the nature of the program. If you have questions about the lessons, PLEASE CONTACT Traci Queen-Dunn at [traciq@olsparish.com](mailto:traciq@olsparish.com), 323-2954 Ext 506.

**This "Personal Safety" session is scheduled for Confirmation Teens on  
Monday, December 11**

If you determine that you DO NOT want your teen to participate, please read and complete the Opt-Out form on the following page. It needs to be returned with this registration form. Otherwise, we will assume that your teen will be attending their Personal Safety class on the date listed above. Please note that if your teen is absent that day, for whatever reason, the diocese requires us to send parents the training material so that you may cover it at home.

# OPT-OUT FORM FOR “PERSONAL SAFETY”

Please complete and return this page with your registration form **ONLY** if you are opting your teen out of the (valuable) Personal Safety class. This means that they will NOT be present that night.

**If you DO want your public school teen to be present for the Personal Safety class, you do not need to do anything or fill out any forms**

- I **DO NOT** wish to have my teen attend the “Personal Safety” program presented by Our Lady of the Snows Religious Education.
